A NOTE FROM YOUR COACH

PROUD OF *you*

Kim,

I'm proud of you for taking this first step. Choosing to show up on camera, consistently, in a new city, while working full-time, takes real courage. And you've already started.

This guide gives your first month some structure. More than that, it's a repeatable system: four pillars you can come back to, a weekly rhythm that tells you what to film next, and a series that ties it all together. Whenever you're not sure what to post, open this up and start from here.

Thank you for trusting me as your content coach. I'm grateful to be part of this chapter with you, and I can't wait to see what you create.

01 YOUR BRAND & AUDIENCE

BECOMING AT 50+

Building a life you love, with confidence, joy, and intention.

WHO YOU'RE TALKING TO

Black women 50+ who are navigating new chapters and discovering new ways to enjoy life, express themselves, stay active, build confidence, and care for themselves.

WHY THEY'LL COME BACK

- They see real life, not a staged one.
- They leave encouraged.
- They feel invited into a conversation.
- They know what to expect each week.

*You don't need to
have it all figured
out.*

You're sharing what you're learning while you live it. Women can watch you try things, reflect, and grow, and see room for themselves in the story.

02 WHERE YOU'RE STARTING

YOUR STORY
ALREADY *started*

Your profiles already say what this plan is about. Now we give it a rhythm.

TIKTOK

INSTAGRAM

Your bios speak to her.
"Women 50+" and "Rewriting your story." Becoming at 50+ builds on that.

You already talk to camera.
"It's not too late. You can start over at 50+." That's your Monday.

Your life is on screen.
Fragrance shopping, dinners out, outfits, travel. That's your Wednesday and Friday.

03 YOUR FOUR PILLARS

FOUR PILLARS,

one story

Each pillar is a different way into the same message. When you don't know what to film, pick a pillar, then an idea under it.

01 BECOMING & CONFIDENCE Give everyday experiences meaning through honest, encouraging conversation. ● Lessons from this chapter ● Choosing yourself ● Permission and new beginnings ● Confidence you can practice	02 LIFESTYLE, MOVEMENT & JOY Invite women into the life you're building in Houston. ● Your Pilates routine and how it feels ● Outings, solo dates, new places ● Family and time with your husband ● Real routines and evening resets
03 PERSONAL STYLE Let your clothes and your hair express who you're becoming. ● Getting dressed for real life ● Date night and occasion looks ● One piece, styled more than one way ● Accessories and genuine finds	04 WOMEN'S SAFETY & PREPAREDNESS Introduce your expertise and make safety education approachable. ● Your instructor story ● Beginner questions and concerns ● Common misconceptions ● Responsible learning, at a high level

Keep lifestyle personal: share your own routines and experiences rather than medical or fitness advice.

04 YOUR SIGNATURE SERIES

REDISCOVERING

her

Not “watch me recover from divorce.” It’s “I’m rediscovering myself in a new chapter, and maybe you are too.”

08 WOMEN'S SAFETY EDUCATION

APPROACHABLE.

Responsible.

Your Houston instruction business is still taking shape, so this month is about introduction, not promotion: help women see you as someone they can learn from.

THIS MONTH · TALK TO THE CAMERA

Your story, your perspective, and the questions beginners have are enough. Classes and classroom footage can become content once your business is up and running.

TOPICS TO GROW INTO

- Your instructor story, stated accurately
- Common concerns beginners have
- Misconceptions about women and firearm education
- Responsible ownership, at a high level
- Why safe storage and ongoing education matter

KEEP IT RESPONSIBLE

- Focus on confidence and education, not tactics or demonstrations.
- Plan and verify any future care or cleaning demo yourself, using the manufacturer's guidance.
- Check each platform's current rules before posting.

INVITE INTEREST, WITHOUT TAKING BOOKINGS

"What would you want to learn first?" · "Would you like updates when I start offering classes in Houston?"

09 FILMING AND EDITING

KEEP IT FOCUSED.

Keep it you.

CAMERA TALKS • MON & SAFETY FRI

Begin with your main point.

Your first sentence is the reason to keep watching.

One idea per video.

Save a second idea for another week.

Sound like yourself.

Editing should tighten you, not change you.

Test 30–60 seconds.

Go longer when the story needs it.

MINI VLOGS • THE PILATES EXAMPLE

1 Beginning

"I almost talked myself out of Pilates today."

2 Experience

"But I went anyway." Your outfit, a detail, you in class (with the studio's permission).

3 Reflection

"Here's why I'm glad I came." That's your ending.

Shot recipe: a wide view, a detail, and you taking part.

EVERY VIDEO

Record vertically

Trim pauses and setup

Wipe your lens first

Captions clear of your face

Face your light

Music low, voice clear

10 YOUR WEEKLY WORKFLOW

MADE TO FIT

a full-time life

The weekend

45-60 MINUTES

One filming session

Record Monday’s talk and Friday’s video back to back, while your setup is in place.

During the week

A FEW MINUTES

Capture as you live

Short clips during plans you already have. Grab your style moment on the way out.

One evening

A SHORT SESSION

Edit your vlog

Assemble Wednesday’s clips, trim, and caption, separate from filming day.

Always

YOUR BACKUP

Save your extras

Keep leftover clips and outfit photos for optional posts or a busy week.

WORK SMARTER • ONE OUTING, THREE VIDEOS

Before you leave: an outfit video.

While you’re out: a lifestyle vlog.

Afterward: a reflection.

YOUR SETUP TODAY

Your phone and the light you already own are enough. Film near a window when you can.

A MICROPHONE

I’m considering the DJI Mic Mini for you. Before buying, we’ll confirm the right connection for your phone.

11 TRUST BEFORE MONETIZATION

RECOMMENDATIONS START *with trust*

People buy what you recommend when they already believe you. That belief comes from watching you genuinely use what you share.

1 Show what you use

Clothing, accessories, and everyday products that are really part of your life.

2 Let it appear naturally

In your outfits, routines, and vlogs, without a sales pitch.

3 Notice the questions

"Where's that from?" is a signal. Keep a list of what people ask about.

4 Recommend, when it fits

Later, through TikTok Shop or other ways, for items your audience already trusts you on.

YOUR FIRST MILESTONE

1,000

TIKTOK FOLLOWERS

Then apply for TikTok Shop creator access once your account is eligible. TikTok sets the requirements, so we'll confirm what's current first. It's a goal, not a guarantee of approval or income, and replacing your income is a longer-term goal built on steady revenue, not a follower count.

12 YOUR FIRST-MONTH REVIEW

LOOK BACK *first*

At the end of the month, open your TikTok analytics, note your follower counts, and tick each question once you’ve answered it.

STARTING TIKTOK FOLLOWERS

ENDING TIKTOK FOLLOWERS

☐ Which posts brought in new followers?

☐ Which got meaningful comments or shares?

☐ Which got outfit, accessory, or product questions?

These point toward future recommendations.

☐ Which got interest in safety education?

☐ Did three posts a week feel sustainable?

What you can keep doing matters as much as what performs.

Then repeat what worked. Your answers shape Months 2 and 3, including which Rediscovering Her episodes come next.

13 YOUR FIRST THREE STEPS

KIM, *just begin.*

This month isn't about getting everything right. It's about showing up three times a week and learning what feels most like you.

**Choose your filming window**

Pick one 45–60 minute block this weekend and put it on your calendar.

**Record your series opener**

"I knew who I was as a wife..." doubles as your first Monday video.

**Choose one ordinary activity**

Something already on your schedule becomes your first vlog.
