PREPARED BY *Stephen Michael* SHOOTING STARS CONTENT ACADEMY

YOU ON CAMERA, ALREADY DOING WHAT
THIS PLAN IS BUILT AROUND.

A NOTE FROM YOUR COACH

PROUD OF *you*

Kim,

I'm proud of you for taking this first step. Choosing to show up on camera, consistently, in a new city, while working full-time, takes real courage. And you've already started.

This guide gives your first month some structure. More than that, it's a repeatable system: four pillars you can come back to, each with subtopics underneath, a weekly rhythm that tells you what to film next, and a series that ties it all together. Whenever you're not sure what to post, open this up and start from here.

Thank you for trusting me as your content coach. I'm grateful to be part of this chapter with you, and I can't wait to see what you create.

01 YOUR BRAND DIRECTION

BECOMING AT 50+

Building a life you love, with confidence, *joy*,
and intention.

This is the idea every video comes back to.

FOUNDATION

Lifestyle is the foundation.

Your everyday life in Houston, from Pilates and outings to family time and moments with your husband, is what people come to see.

EXPRESSION

Your style shows who you are.

Your clothes and your hair express your personality before you say a word.

MEANING

Your conversations give it meaning.

Your motivational talks turn ordinary moments into something women can carry into their own lives.

DEPTH

Your safety expertise adds depth.

Women's safety education brings real professional knowledge, and another kind of confidence.

02 WHERE YOU'RE STARTING

YOUR STORY
ALREADY *started*

Your profiles already say what this plan is about. Now we give it a rhythm.

TIKTOK • @KIM.LASHAWN_

INSTAGRAM • @KIM.LASHAWN_

- 01

Your bios speak to your audience. "Women 50+" and "Rewriting your story." Becoming at 50+ builds right on that.
- 02

You already make Monday videos. "It's not too late. You can start over at 50+" and "choose yourself."
- 03

Your life is already on screen. Fragrance shopping, dinners out, outfits, travel: your Wednesdays and Fridays.
- 04

What changes now: a steady weekly rhythm and a series, so your audience knows what to expect.

YOUR FIRST MILESTONE

1,000

TIKTOK FOLLOWERS

Your short-term growth goal, with the plan to apply for TikTok Shop creator access once your account is eligible. It's a milestone to work toward, not a guarantee of approval, income, or a particular timeline. Consistency, your series, and your style posts are how you get there.

03 WHO YOU'RE TALKING TO

WOMEN READY FOR THEIR

next chapter

Black women 50+ who are navigating new chapters and discovering new ways to enjoy life, express themselves, stay active, build confidence, and care for themselves.

*You don't need to
have it all figured
out.*

You're sharing what you're learning while you live it. That's what makes you relatable: women can watch you try things, reflect, and grow, and see room for themselves in the story.

WHY THEY'LL COME BACK

They see real life.

Your routines, outings, and style choices feel reachable, not staged.

They feel invited in.

You ask questions and answer comments, so it feels like a conversation.

They leave encouraged.

Your talks offer a perspective they can use the same day.

They know what to expect.

A steady weekly rhythm makes you easy to come back to.

YOUR STORY, YOUR
PACE

Your divorce and remarriage are part of your story, and they're yours to share when they serve a message. The Rediscovering Her series on page 10 gives that story a home, without making every post about it.

04 YOUR CONTENT PILLARS

FOUR PILLARS,

one story

Each pillar is a different way into the same message. The subtopics are your idea bank: when you don't know what to film, pick a pillar, then a subtopic.

YOUR TIKTOK

01

BECOMING & CONFIDENCE

Give everyday experiences meaning through honest, encouraging conversation.

- LESSONS FROM THIS CHAPTER
- CHOOSING YOURSELF
- PERMISSION AND NEW BEGINNINGS
- CONFIDENCE YOU CAN PRACTICE

YOUR TIKTOK

02

LIFESTYLE, MOVEMENT & JOY

Invite women into the life you're building in Houston.

- YOUR PILATES ROUTINE AND HOW IT FEELS
- OUTINGS, SOLO DATES, AND NEW PLACES
- FAMILY TIME AND TIME WITH YOUR HUSBAND
- REAL ROUTINES AND EVENING RESETS

Keep it personal. Share your own routines and experiences rather than medical or fitness advice.

04 YOUR CONTENT PILLARS, CONTINUED

CONFIDENCE YOU CAN *see & learn*

Your style shows who you’re becoming. Your safety education shares what you know. They take turns on Fridays.

YOUR TIKTOK

03

PERSONAL STYLE

Let your clothes and your hair express who you’re becoming.

- GETTING DRESSED FOR REAL LIFE
- DATE NIGHT AND OCCASION LOOKS
- ONE PIECE, STYLED MORE THAN ONE WAY
- ACCESSORIES AND GENUINE FINDS

COMING UP

04

WOMEN’S SAFETY & PREPAREDNESS

Introduce your expertise and make safety education feel approachable.

- YOUR INSTRUCTOR STORY
- BEGINNER QUESTIONS AND CONCERNS
- COMMON MISCONCEPTIONS
- RESPONSIBLE LEARNING, AT A HIGH LEVEL

05 YOUR STYLE, EVERY WEEK

SHOW YOUR TASTE, *every week*

Your outfits, accessories, and genuine finds show people your taste. Over time, they teach your audience what they can trust you to recommend.

HOW STYLE SHOWS UP

WEEKS 1 & 3 A dedicated Friday style video.

WEEKS 2 & 4 A short style moment inside Wednesday's lifestyle vlog.

EVERY WEEK An optional Thursday post for an outfit, accessory, or genuine find.

CAPTURE IT WHERE YOU ALREADY ARE

BEFORE WORK

BEFORE PILATES

BEFORE DINNER

BEFORE AN OUTING

A style moment takes a minute by the mirror or the door. It fits into your day; it doesn't need its own production day.

Short on time? A photo carousel of the outfit or the find works for your optional Thursday post.

06 YOUR SIGNATURE SERIES

REDISCOVERING

her

This series isn't "watch me recover from divorce." It's "I'm rediscovering myself in a new chapter, and maybe you are too."

That leaves room for reflection, fun, Houston, work-from-home days, beauty and style, and everyday life, without the series ever feeling heavy. Your first video on this is the pilot; everything else builds out from it.

EPISODE 1 • THE OPENER

"I knew who I was as a wife, but after my divorce, I realized I had to rediscover who I was as a woman."

Then expand: "I don't think you have to go through a divorce to understand that. Sometimes life changes and you realize you've spent so much time being somebody's wife, mom, employee, caretaker, that you haven't stopped to ask, 'Who am I now? What do I actually like?' So that's what this season is for me. Rediscovering her."

Maybe you're rediscovering her too.

HOW IT FITS YOUR WEEK

Monday

One conversation

A Rediscovering Her thought or reflection.

Wednesday

One experience

Houston, trying something new, a solo date, an outing.

Any day

One everyday moment

A WFH day, GRWM, weekend vlog, cooking, errands, a reset.

Not every post needs the series label. When someone finds you through a funny work-from-home video and visits your profile, they discover the bigger story: a grown woman building and enjoying her next chapter.

LATER • A SECOND ACT

When you're ready to share more about your marriage, the series grows naturally: "How do I stay connected to her while being a wife again?" Your brand evolves instead of having to pivot.

SIXTEEN

16

TALKING HEAD

I Don't Want to Become the Old Me Again

Growth isn't "getting back" to who you were.

"Everybody talks about getting back to yourself. I don't think I want to."

LET THEM WATCH

you do it

EPISODE 16 • THE HEART OF THE SERIES

I don’t want to become the old me again

You’re not trying to find the woman you were at 25. You’re meeting the woman you are now.

“People always say they want to get back to who they were before the marriage, before the kids, before life happened. But I don’t think I want to go backwards. That woman hadn’t lived what I’ve lived yet. I’m not trying to find the old me. I’m getting to know the woman I’ve become.”

KEEP IT FUN

“I’m rediscovering what I like, so today we’re trying...”

- A NEW HOUSTON RESTAURANT
- A DANCE CLASS

PILATES
- A NEW HAIRSTYLE

A MAKEUP LOOK
- A COOKING CLASS

A FARMERS MARKET
- A NEW RECIPE

A CONCERT

A MUSEUM
- A NEW NEIGHBORHOOD

A PERFUME
- A TREND YOU THOUGHT WASN’T FOR YOU
- HOSTING GIRLFRIENDS
- DECORATING YOUR PLACE

A SOLO LUNCH

20 to 45 seconds with a little voiceover. People aren’t just hearing about rediscovery; they’re watching you do it.

HOOKS TO ROTATE

No need to say “Episode 17” every time. Rotate these instead:

- “In today’s episode of rediscovering myself...”*
- “Apparently I’m learning new things about myself at this big age.”*
- “Something I’ve been realizing in this season...”*
- “I haven’t done this in years, so we’re doing it today.”*
- “I’m new to Houston, and part of making this place home is finding my places.”*
- “Question for the women who are also in a new chapter...”*
- “Maybe I’m not the only woman who needed to hear this...”*

The last two matter most: you’re speaking with women, not at them.

10 INTRODUCING WOMEN'S SAFETY EDUCATION

APPROACHABLE. *Responsible.* YOURS.

Your Houston instruction business is still taking shape, so this month is about introduction, not promotion.

The goal is simple: help women see you as someone they can learn from, and make the subject feel approachable, with confidence and responsible learning at the center.

THIS MONTH

TALK TO THE CAMERA

Your story, your perspective, and the questions beginners have are enough. Classes and classroom footage can become content once your Houston business is up and running.

TOPICS TO GROW INTO

- 01** Your instructor story and your qualifications, stated accurately
- 02** Common concerns beginners have
- 03** Misconceptions about women and firearm education
- 04** What responsible ownership involves, at a high level
- 05** Why safe storage and ongoing education matter
- 06** An introduction to care and cleaning, from you as a qualified instructor

INVITATIONS THAT FIT RIGHT NOW

| *"What would you want to learn first?"*

| *"Would you like updates when I start offering classes in Houston?"*

Invite interest in what's coming, without suggesting classes are open for booking yet.

KEEP IT RESPONSIBLE

Keep the focus on confidence and education, not tactics or demonstrations.

Plan and verify any future care or cleaning demo yourself, using the manufacturer's guidance.

Check each platform's current rules on firearm-related content before posting.

KEEP IT FOCUSED.

Keep it you.

MONDAYS & SAFETY FRIDAYS

CAMERA TALKS

Begin with your main point.

Skip the long introduction. Your first sentence is the reason to keep watching.

One idea per video.

If you have a second idea, save it for another week.

Sound like yourself.

You're already comfortable on camera. Editing should tighten you, not change you.

Test 30–60 seconds.

Go longer when the story genuinely needs it.

WEDNESDAYS

MINI VLOGS

A beginning.

Set up the moment in a sentence: where you are, or what you almost didn't do.

An experience.

Short clips of the activity itself.

A reflection.

One honest thought at the end that ties it back to this chapter.

Three kinds of shots.

A wider view, a detail, and you taking part.

Trim the extras

Cut repetition, long pauses, and unnecessary setup.

Caption clearly

Readable captions, placed where they don't cover your face.

Keep music low

Your voice should always be easy to hear.

RECORD VERTICALLY

Hold your phone upright for every clip.

WIPE YOUR LENS

A quick clean before you film makes a visible difference.

FACE YOUR LIGHT

Use window light or your own light, in front of you.

12 ONE VLOG, START TO FINISH

THE PILATES YOU

almost skipped

Here’s how a single after-work Pilates class becomes a complete mini vlog, in three short beats.

1

BEGINNING

Almost skipping

"I almost talked myself out of Pilates today."

One quick clip after work. Be honest about the tired part.

2

EXPERIENCE

Choosing to go

"But I went anyway."

Your outfit on the way in, a detail or two, and a few seconds of you in class, filmed with the studio’s permission.

3

REFLECTION

How it felt after

"Here’s why I’m glad I came."

One short clip afterward, in your own words. That’s your ending.

YOUR SHOT RECIPE	Wide The studio, the street, or the room you’re in.	Detail Your mat, your shoes, your water bottle.	You Taking part, not just narrating.
------------------	---	---	--

YOUR SETUP TODAY

Your phone and the light you already own are enough to start. Film near a window when you can.

A MICROPHONE

I’m considering the DJI Mic Mini for you. Before buying, we’ll confirm the right connection for your phone.

13 A REALISTIC WEEKLY WORKFLOW

MADE TO FIT

a full-time life

The weekend

ABOUT 45-60 MIN

One filming session

Record Monday's camera talk and Friday's video back to back, while your setup is already in place.

During the week

A FEW MINUTES AT A TIME

Capture as you live

Film short clips during something you already planned: Pilates, an outing, an evening at home. Grab your style moment on the way out the door.

One evening

A SHORT SESSION

Edit your vlog

Assemble Wednesday's clips, trim them, and add captions, separate from your filming day.

Always

YOUR BACKUP PLAN

Save your extras

Keep leftover clips and outfit photos in an album for optional posts, or for a busy week when filming isn't possible.

WORK SMARTER

ONE OUTING, *three videos*

*Before you leave***An outfit video**

Show the look you chose and why.

*While you're out***A lifestyle vlog**

Wide, detail, and you, enjoying it.

*Afterward***A reflection**

One thought the day gave you.

14 BUILD TRUST BEFORE MONETIZATION

RECOMMENDATIONS START *with trust*

People buy what you recommend when they already believe you. That belief comes from watching you genuinely use and enjoy what you share.

1 Show what you use

Clothing, accessories, and everyday products that are really part of your life.

2 Let it appear naturally

In your outfits, routines, and vlogs, without a sales pitch.

3 Notice the questions

"Where's that from?" is a signal. Keep a running list of what people ask about.

4 Recommend, when it fits

Later, through TikTok Shop or other ways, for items your audience already trusts you on.

ABOUT TIKTOK SHOP

It's a future opportunity, not a guaranteed income. Until then, every genuine recommendation builds the trust it depends on.

ABOUT REPLACING YOUR INCOME

That's a longer-term business goal. It comes from consistent revenue over time, not from reaching a particular follower count.

YOUR MILESTONE

1,000

TIKTOK FOLLOWERS

Your short-term goal is 1,000 TikTok followers, then applying for TikTok Shop creator access once your account is eligible. TikTok sets and changes the requirements, so we'll confirm what's current before you apply. Reaching it doesn't guarantee approval, income, or a timeline.

15

15 YOUR FIRST-MONTH REVIEW

LOOK BACK

before you plan ahead

At the end of the month, sit down with your TikTok analytics, note your follower counts, and tick each question once you’ve answered it.

STARTING TIKTOK FOLLOWERS

ENDING TIKTOK FOLLOWERS

- ☐ Which posts generated new followers?
- ☐ Which prompted meaningful comments or shares?
- ☐ Which generated outfit, accessory, or product questions?
These point toward your future recommendations.
- ☐ Which generated interest in safety education?
- ☐ Which Rediscovering Her episodes landed best?
Make more of what women responded to.
- ☐ Did three posts a week feel sustainable?
What you can keep doing matters as much as what performs.

THEN, repeat what worked.

Your answers shape Months 2 and 3, including which Rediscovering Her episodes come next. We’ll keep and improve your strongest formats and plan them together once this review is done.

16 YOUR FIRST THREE STEPS

KIM, *just begin.*

You bring warmth, style, and real conversation to the camera, and you're living a chapter many women are curious about. This month isn't about getting everything right. It's about showing up three times a week and learning what feels most like you.

1**Choose your
filming window**

Pick one 45–60 minute block this weekend and put it on your calendar.

2**Record your series
opener**

Your series opener, “I knew who I was as a wife...”, doubles as your first Monday video.

3**Choose one
ordinary activity**
