THE AGE YOU BECAME BEST FRIENDS

— LA VOSTRA STORIA · YOUR STORY

Best friends at fourteen. Everything since.

You met at fourteen. You fell for each other in high school. You’ve been each other’s plus-one ever since.

Minnesota raised you. DC is home now. And the world has been your shared passport, one trip at a time.

You’ve been to Lake Como three times. This time, it’s the wedding.

Sam first, always.

05

— DIETRO LE QUINTE · BEHIND THE SCENES

The best footage happens before anyone is ready.

Both getting-ready rooms. All 18 of your bridal party. The hands, the laughs, the quiet minute before the doors open. We'll be there for the real moments, on both sides.

A global team of Black vendors. One lake.

You reached out to Black vendors from all over the world and built a team that looks like your community. We'll feature every one of them, and trace how each found their way to Lake Como.

— IL CONTO ALLA ROVESCIA · THE LEAD-UP

Meet the makers before the magic.

Short interviews with your vendors in the days before the wedding. The florals arriving, the tables going up, the villa becoming yours. By Saturday, your story has a cast.

— LA SPOSA · THE BRIDE

Sam first, always.

This is a bride-centered weekend, and the edit follows. Both dresses. Her people. Her moments, front and center.

— LA FESTA · THE PARTY

Then JT turns it up.

The dancing. The energy. The big personality that makes it a Sam and JT party.

Summer in Italy, in blush and plum.

Classic from every angle. Bridesmaids in blush and prosecco, groomsmen in black, a deep plum running through it all. The florals, both dresses and grounds big enough to get lost in.
